

WPPO LLC

THE WARRANTY

Limited Warranty

WPPO LLC produces and imports ovens; the company provides a warranty for the oven and its components (the oven's body, floor, ventilation, finishes, stand, door, internal dome welding and accessories). This warranty ensures that these items do not have manufacturing defects or defects in the materials. This warranty is for a period of one year from the date the oven is shipped. This warranty is not valid if the oven has not been properly installed, operated and/or maintained in accordance with the product's instructions.

EXCLUSIONS

The warranty stated above does not apply in the following situations:

- (1) Ovens that were not installed as indicated in the product's instructions or that were installed out of compliance with local building laws.
- (2) Ovens with hairline cracks in the ceramic cooking floor that were caused by over-firing. See the product manual for more information regarding over-firing.
- (3) If the oven was used incorrectly, which includes using excessive force to throw the firewood into the oven, adding appliances that are not provided by the manufacturer, using fuels that burn differently or at excessive temperatures (Note: Wood types that should not be used include: driftwood, coal, plywood, wood with a binder that burns at excessively high temperatures).
- (4) If the oven was iced or cleaned with a wet mop when the oven was still hot (that can cause cracking or can damage the oven floor). If improper chemicals or cleaning products were used to clean or sterilize the inside of the oven.
- (5) If damage occurs due to materials being stored on top of the oven.
- (6) Normal wear and tear of the oven, or its parts, based on normal use. Normal wear and tear include:
 - (a) Minor cracking that occurs in the floor tiles due to normal material expansion and contraction.
 - (b) Scratches on the stainless steel or finishes that may occur from normal use of the oven.
 - (c) Fading or darkening of the oven's exterior finishes where they are exposed to smoke, since this is normal wear and tear.
- (7) For damage that occurs to the oven, and its parts, or if the oven becomes inoperable, if caused by natural events such as floods, fires, earthquakes, wind or storms.
- (8) We do not recommend shipping carts bigger than our WKCT-1S through anything other than an LTL. Should you choose to do so, the claim would be your responsibility and not fall under our warranty guidelines.

LIMITATIONS

WPPO LLC's only is obligated to respond for the original price of the oven, excluding shipping costs. This is what the purchaser would receive based on this warranty. The purchaser does not have the right to recover incidental damages, including and not limited to: personal injury, property damage, loss of profits, damage to business reputation, the costs of receiving, unloading or installing the oven, or the loss of use of the oven. WPPO LLC is not responsible for damage that may be caused by defects in the oven, whether before or after the oven's replacement if the warranty is invoked. This warranty is limited to truthful documented claims that are received during the effective period of the warranty. This warranty is based on the original purchase date of the product, not on the date of repair or replacement. If parts need to be repaired under this warranty, WPPO reserves the option to decide if new or used parts are utilized in the repair. Note: This warranty may differ by state. Some states do not allow the exclusion or limitation of incidental or consequential damages, or the duration of an implied warranty.

INVESTIGATION OF CLAIMS

WPPO LLC can investigate all claims against the warranty, to determine how they should be addressed. In order to return an oven, or its parts, WPPO LLC (or its representative) will provide the purchaser with a written return authorization, including shipping instructions. If the oven, or its components, are not properly packaged, WPPO may bill the purchaser. WPPO may bill the purchaser for return freight if the oven was damaged due to negligence or if the warranty is no longer valid. See the Sales Agreement for additional information.

ONLY THIS WARRANTY

WPPO LLC's employees and /or dealers are not able to make any warranties or promise any restitution beyond what is described in the oven's warranty as described above.

HOW TO FILE A CLAIM

To file a claim under this warranty, it must be communicated to WPPO in the following manner:

In writing to WPPO LLC 3131 W. Orangeville Rd Orangeville, IL 61060 or by email to: info@wppollc.com or phone 815-745-1021.

All warranty claim requests must include: the oven model number, original invoice number, date of installation, a description and photographs of the defect, and a full description of the circumstances that resulted in the need to file this claim.

The purchaser must examine the WPPO LLC delivery upon receipt and must inform WPPO LLC within ten days if any items are missing, incorrect, or damaged
